## Annual Boat Fishing Competition: 3 Day Event.

---

The Tangimoana Boating Club annual boat fishing competition was held during the period 18 – 20 January 2019.

What a fishing season it has become with some great catches of some very nice fish. Our Annual Boat fishing competition is done and dusted for another year and it was fished with a very short weather window to fish in.

The wind got up a lot earlier than expected which made 74 boats and 184 anglers scramble back to the river.

Some impressive numbers of fish were caught and weighed in and the prize pool was very well spread over a number of different boats.

Our local and a Club member Justin Booth took out the top prize of \$1200 for the heaviest snapper, so a very proud moment for him.

This brief report will be added to in the future with some nice photos of the fisho's out there, including some of the fish caught.
