COMMODORES REPORT

Well with winter gone and now we are into spring, and the fishing group are under way with the fishing comps for the year, let's hope to see a few more at our Club.

The Fishing Group will be out and about looking for sponsors again for this year, so please don't be shy and if there is anything you think you may be able to add or help in anyway please contact Nigel Pedley or anyone else that is involved with the Fishing Group. All sponsorship and help is very much appreciated.

A big thank you to all that came along and supported the band 6 Pac. This was an enjoyable evening and great to see many different faces in the club.

Wednesday Night Kai – These nights are still a real hit with everyone, even changing the menu up a bit and introducing a few different things. Well, done to everyone involved in making these nights a great success.

Starlink is now up and running at the Club. The internet has been an ongoing problem for a while now and thanks to Nigel and Tania for taking on this job and getting it all sorted.

Email Address – *Please note that the Club has changed its email address due to the update to Starlink. Our old email is still active, while we are in the process of changing over. This will take a couple of months to fully do the transition to the new email address.*

Our old email address is: tboatingclub@xtra.co.nz

*Our **new email** address is: tboatingclub@gmail.com*

As you can see there is not much difference in them just that we are going from Xtra to Gmail. So, we ask that if you are now emailing the Club can you please use our new email address.

It is with heavy heart that we share the passing of a member and friend, Raewyn Iwikau (nee Stack) The warmth, laughter, and camaraderie she brought she brought to our club can never be replaced. She will be sorely missed but never forgotten. Deepest Condolences to all the Iwikau / Stack family from Tangimoana Boating Club.

Here are some important updates on the rules of the Sales and Drinking alcohol and Children in our Club at Tangimoana Boating Club, 3 Domain Parade, Tangimoana

At Tangimoana boating Club we have an on licence for our premises.

This means we can sell and supply alcohol on premises. This means NO alcohol can be brought into the premises and NO alcohol can leave the premises.

This information will also cover children wishing to enter the premises.

Under the New Zealand Sales and supply of alcohol Act 2012for Clubs:

Sales and supply in clubs to members and guests only

(1) the holder of a club licence must ensure that no alcohol is sold or supplied to any person for consumption on the premises unless the person is -

(a) an authorised customer; or

(b) If the licence is issued subject to a condition allowing alcohol to be sold or supplied to people of that kind, a person who is on the premises at the invitation of an authorised visitor who is on the premises.

(2) if a club licence and an off – licence are held for the same premises, the holder must ensure that no alcohol is sold or supplied to any person for consumption off the premises unless the person is an authorised customer.

(3) in this section, -

Authorised customer, in relation to premises a club licence is held for, means a person who-

(a) is a member of the club concerned: or

(b) is on the premises at the invitation of, and is accompanied by, a member of the club concerned: or

(c) is an authorised visitor

Authorised Visitor, in relation to premises a club licence is held for, means a member of some other club with which the club concerned has an arrangement for reciprocal visiting rights for members.

Member, in relation to club, means a person who -

(a) has expressly agreed in writing to comply with the club's rules: and

(b) is recognized as a member of the club by those rules. Have

So just a friendly reminder to all that if you **are not** a financial member of Tangimoana Boating Club and wish to come and enjoy the facilities of our Club, please make sure that you are **Signed in** by one of our financial members.

Under the **New Zealand Sales and Supply of Alcohol Act 2012**, Which governs alcohol licencing overseen by [Manawatu District Licensing Committee](#), the liquor rules regarding children (minors under 18) in a club depend heavily on how the venue's specific areas are classified ("designated").

Physical Access & Supervision Rules

Most standard club premises in New Zealand **undesignated areas**, but a club can have distinct zones such as: Undesignated Area, Supervised Area or Restricted Areas.

We at Tangimoana Boating Club come under a Supervised Area on our License.

- **Supervised Areas:** Minors are **only permitted** if they are accompanied by their Parent or Legal Guardian.

Rules for Drinking and Supplying Alcohol

Even though children are permitted in undesignated areas of a Club, the laws surrounding alcohol are incredibly strict:

- **Buying Alcohol:** It is completely illegal for a minor to buy alcohol anywhere in the club under any circumstance.
- **Supplying Alcohol:** A minor can only drink alcohol on club premises if the alcohol is **brought and supplied directly by their parent or legal guardian**, and they remain with the minor while it is consumed.
- **Definition of Guardian:** Under the law, a legal guardian is strictly defined by the Care of Children Act 2004. an older sibling, aunt, uncle, coach, or adult friend **does not** count as a legal guardian and cannot buy or supply a child with alcohol in a club, even if they have the parent's verbal permission.
- **Responsible Hosting:** Parents who supply their children with alcohol must do so in a "responsible manner," which includes providing food, offering non- alcoholic options, and actively supervising them. Failing to do so can result in a fine of up to **\$2,000**.

On Licensed Premises (Bars, Restaurants, and Liquor Stores)

If a business sells alcohol to a minor, multiple parties can be prosecuted simultaneously:

- **The Manager/ Licensee:** Can face a maximum court fine of **up to \$10,000**. Additionally, the business's liquor license can be suspended for up to 7 days, and a manager's certificate can be suspended cancelled.
- **The Server / Bar Staff:** The individual employee who actually processed the sale can be personally fined **up to \$2,000**.

The law about supply to young people

In some circumstances, people under 18 may be allowed in licensed premises even though they are not allowed to buy alcohol.

It is illegal to supply alcohol to someone under the age of years 18 unless:

- The person supplying the alcohol is the parent or legal guardian and the alcohol is supplied in a responsible manner, or
- The person supplying alcohol has the express consent of the young person's parent or legal guardian and the alcohol is supplied in a reasonable manner.

You Could be fined up to \$2,000 if you don't follow the law.

There is no age at which it is illegal to drink alcohol in New Zealand.

Parents and Guardians

To supply alcohol to under -18s responsibly you should:

- Supervise the consumption of alcohol.
- Provide food.
- Provide a choose of low – alcohol and / or non-alcoholic drinks.
- Ensure safe transport options are in place.

When deciding if alcohol is supplied responsibly you need to consider:

- The nature of the occasion
- The time period over when the alcohol is supplied.
- The strength and amount of alcohol supplied.
- The age of the minor

"Parent" means natural, adoptive or foster parent.

"Guardian" means a person who has all the duties, powers, rights and responsibilities that a parent has in bringing up their child, as detailed in the Care of Children Act 2004. This includes providing day-to-day care for the child, contributing to the child's intellectual, emotional, physical, social and cultural developing and helping to determine questions about important matters that affect the child.

For the majority of minors, their legal guardian is their parent. For others establishing legal guardianship requires a formal legal process, it is not just being involved in the day – to – day care of child.

This includes children entering the premises without a parent or legal guardian. If you do not have a parent or legal guardian with you when you enter the Club, then you are not permitted to enter the Club.

Many Thanks

SAFETY INFORMATION- Johnny Brown + Jason Brown+ Ali Brown – Safety and Rescue Liaison.

Bar crossing procedure.

- Call up channel 61 (Tangi Boat radio)
- Say you are approaching the bar.
- Say how many persons on board

After crossing the bar

- Radio, saying you have safely crossed the bar.
- Provide the time you are returning and your direction e.g., towers.
- If you move to another area, please update us.

On return

- Call up channel 61 (Tangi Boat radio)
- Say you are approaching the bar.
- Say how many persons on board.
- Once inside the river, say you are safely across the bar.

If you **travel north** and are having trouble connecting with channel 61, try Whanganui Coastguard channel 64 indicating you launched from Tangimoana.

- Let them know where you are (Turakina or further north)
- Tell Whanganui Coastguard when you are leaving their area.
- Return to Tangi Boat radio channel 61 once you are back in range.

If there is no VHF operating out of Tangimoana you can log on to VHF 60 (Manawatu Marine Boating club) – call sign Foxton sports radio, who have a register of our boats.

Remember all persons on board MUST wear a lifejacket at ALL TIMES.

Put your Call Sign on your boat trailer. That way, if you are late returning to shore, others can contact you on your VHF radio and/or find your contact details where your call sign is stored. Your details are only used for search and rescue

purposes.
